To Community Leaders, Organizations and Interested Parties:

I am pleased to announce that the Advisory Committee on Participatory Democracy (ACPD) is accepting nominations for the National Association of Secretaries of State (NASS) Medallion Award. The NASS Medallion honors individuals, groups or organizations in Nevada with an established record of promoting the goals of NASS in one or more of the following areas:

- Elections, with special emphasis on voter education and participation;
- Civic education, including the teaching, promotion and study of this subject;
- Service to state government--specifically, as it relates to the duties of the office of the secretary of state; or
- A commitment to giving a business or individual whose philanthropic contributions have significantly enhanced the quality of life in a local or regional area within a state or within an entire state.

Any citizen or organization in Nevada may nominate an individual or organization for the NASS Medallion Award. The application for the award is enclosed with this letter and is also available at the Secretary of State's website, <a href="www.nvsos.gov">www.nvsos.gov</a>. Nominations must be received no later than 12:00 pm, Friday, April 5, 2013, and must be submitted using the attached form. Recipient(s) of the 2013 NASS Medallion Award will be announced in early May.

I encourage you to promote this award and recognize those whose service reflects the mission, purpose and objectives of the NASS Medallion.

Respectfully,

Ross Miller Secretary of State
