Our most important educational priorities should be to expand financial aid for college students and double the number of federally-funded work-study jobs over the next five years.	1,548	56.39%
The current federal student lending system, under which the Department of Education makes loans directly to students, should be changed. Individuals should be responsible for funding their own education.	272	9.91%
We should put more emphasis on school choice options such as charter schools, school-voucher programs for public and private schools, and home schooling as an alternative to mandating that students continue to attend underperforming schools in the traditional public school system.	599	21.82%
We should work with local schools to implement reforms that reward teachers with merit pay based on student achievement measured in a given year compared to the previous year.	326	11.88%

We should empower states to control all forms of energy development and production on all lands within their borders, excluding areas that are specifically designated off-limits.	391	14.57%
We should invest in clean, renewable sources of energy, especially solar and wind-power.	1,734	64.61%
We should expand regulatory cooperation with Canada and Mexico and institute fast-track approval processes for cross-border pipelines and other infrastructure, starting with approving the Keystone XL pipeline.	317	11.81%
We should focus on energy efficiency, along with increasing prices and taxes to decrease use of fossil fuels.	242	9.02%

Select a Statement with which you most agree.	Votes Cast	Percent of Votes Cast
All Americans should be required to have health insurance, either through an employer or by paying for it themselves.	590	21.88%
The federal government should not require that all Americans have health insurance.	499	18.50%
Universal health care coverage means more affordable premiums and lower costs because people will focus more on preventive care and avoid expensive emergency care. Americans have the right to health insurance and protections from abusive practices by insurance companies.	1,240	45.98%
Universal health care amounts to government control of individuals' rights, government interference in the economy, and huge costs. The individual states should set their own policies regarding the uninsured, those with chronic conditions, and with regard to Medicaid.	368	13.64%

## STATE - BALLOT ISSUES

### State Question 1: Amendment to Title 15 of the Nevada Revised Statutes – The Background Check Initiative

	Votes Cast	Percent of Votes Cast
Yes – Private vendors should be required to conduct background checks prior to selling a firearm to promote public safety.	2,138	78.06%
No – Private vendors should not be required to conduct background checks prior to selling a firearm as it is unduly difficult for a private seller.	601	21.94%
<b>Total</b>	<b>2,739</b>	<b>100.00%</b>

### State Question 2: Amendment to Title 40 of the Nevada Revised Statutes – Initiative to Regulate and Tax Marijuana

	Votes Cast	Percent of Votes Cast
Yes – Marijuana should be regulated in the same manner as alcohol and subject to a 15% excise tax as a revenue stream, and be permitted for medical and recreational use in limited quantities.	1,974	71.76%
No – Marijuana should not be permissible in any amount as it is a schedule 1 narcotic at the federal level and is dangerous.	777	28.24%
<b>Total</b>	<b>2,751</b>	<b>100.00%</b>

### State Question 3: Amendment to Article 1 of the Nevada Constitution – The Energy Choice Initiative

	Votes Cast	Percent of Votes Cast
Yes – Monopolies are bad for the economy and contribute to high consumer prices.	1,681	62.40%
No – There is no evidence that prices would be lower and less regulation can cause safety problems.	1,013	37.60%
<b>Total</b>	<b>2,694</b>	<b>100.00%</b>

### State Question 4: Amendment to Article 10 of the Nevada Constitution – Medical Patient Tax Relief Act

	Votes Cast	Percent of Votes Cast
Yes – People who are sick have enough expenses without asking them to pay taxes on things they need to breathe and move.	1,806	67.97%
No – Getting rid of this tax will cause a decrease in public revenue that is used to fund services like schools and police departments.	851	32.03%
<b>Total</b>	<b>2,657</b>	<b>100.00%</b>
