Total Active Entities	364,559	391,912	27,353	7.5%

* Notes: -State Business Licenses were not segregated by entity type until October, 2015. While the total number of Title 7 business licenses issued for each period is known, the number of corporation versus non-corporation business licenses issued was estimated using Annual and Initial list filing as a proxy.

** YTD 2019 may vary slightly from the historical figures as the Office is changing its accounting/data collection systems and reports.
