POLL QUESTIONS	
Poll Question 1	
The pandemic and concerns for student, teacher and staff safety have caused major disruption to traditional education delivery in classrooms at a school facility. Which statement <u>best</u> describes your experience with online instruction delivery:	
I am able to access my classes and find my course work satisfactorily.	← <input type="checkbox"/>
The technical side of how to get into my classes and communicate with my teachers has been the most difficult part.	← <input type="checkbox"/>
My greatest challenge is that I do not have internet access at home, so I have to find a place with wireless connectivity so I can connect to do my schoolwork.	← <input type="checkbox"/>
I was already doing online school, so this is little or no change for me.	← <input type="checkbox"/>
Other than the required safety protocols, there is no change because I attend school in-person	← <input type="checkbox"/>
